24h sofa
Day into night, and night into day, the BED SOFA collection offers comfort for sitting, relaxing, entertaining, sleeping - perfectly adapted to every activity.
Functional and fashionable, the intriguing silhouette of this sofa is accentuated by a chromed frame at the base, as well as crafty and precise stitching at around the edges. Softness and comfort are framed in its geometric form. Three seater, two seater, and armchair.
Compact sofa, with stitching that brings out the cubistic spirit of design. Versatile and adaptable to various styles. Three seater, two seater, and armchair.
Curved armrests, rich cushions and luxurious upholstery let you experience ultimate comfort and complete relaxation.

Brandy
Impressively simple and simply impressive, this sofa can be shaped into many different forms. Polished metal legs.
Luxurious and elegant corner sofa, with slightly concave backrests accentuating precise design. Stitched seating adds a feel of craftsmanship.
The power of form, ultimate comfort and discreet details for thorough enjoyment. The perfect proportions hide the mechanisms for all-day relaxation. Three seater and two seater sofa beds.
An elegant gem at supreme style. Gracefulness of the stylish lines, stressed by the gently curved sides and refined metal legs for the yielding warmth of home.
Like a precious shell, the sofa enriches the space with a pearl of elegance and functionality. The sophisticated and timeless response to the requirements of modern life.
Demounting mechanism
Type 1, 2, 3

Type 1 is the rapido mechanism, which supports the backrest cushions and enables the transformation of the three-seat sofa into a bed in one step. It is found within the Mondo, Incanto, Emily, De Marco, Contessa, Lapi, Polar Night, Nord, Moon, Joy2, Fred, and Nora models.

Type 2 is the classic mechanism, which is drawn out together with the sofa seats, while the backrest cushions are unattached, facilitating the implementation of the most modern design solutions and various combinations of prints. It is found within the Athens, Today, Brendy, Leo lux Commodo, Chester, and Christian models.

Type 3 mechanism is incorporated into head rests and back rests. It can be lowered into various positions, and it can form different angles as to provide the optimum and most relaxing position for the body during sitting or lying down. It is found in Theo and Siesta three seaters.
